Complète les question-tags suivantes:

She 's upstairs,

*isn't she ?*

He wants this,

She had met this guy tonight,

We can't help you,

Charline has been to France,

You will come,

They could'nt lie to me,

You sang,

Tony has got a new car,

Let's go to the cinema,

He plays basket ball,

They hardly saw her,

I should be patient,

The bike is in the garage,

We will live in London,

Nobody knows the answer,

He doesn't like cats,

He would accept,

This dog looks sad,

Close the door now,

You work in a school,

She can speak spanish,

He isn't coming ,

She won't tell her,

Don't cry,

Nobody looked after him,

He had met her before tonight,

It's very cold today,

You're not very sure,

He wasn't happy,

He like ice cream,

Mum called you,

She didn't say that,

You are student,

There is a fly in my bedroom,

This trip is very expensive,

You are the sunshine of my life,

She was so late,

Don't speak all the time,

Mary had blu eyes,

He didn't work enough,
