# NUMERATION (4)

## Nombres jusqu'à 69

Indique dans le cadre le nombre de cubes.

Diagram 1: A rounded rectangle containing 2 rows of 10 blue cubes each, and 3 single blue cubes below. An arrow points to a rounded rectangle with a dotted line for an answer.

Diagram 2: A rounded rectangle containing 1 row of 10 blue cubes, and 5 single blue cubes below. An arrow points to a rounded rectangle with a dotted line for an answer.

Diagram 3: A rounded rectangle containing 1 row of 10 blue cubes, and 3 single blue cubes below. An arrow points to a rounded rectangle with a dotted line for an answer.

Diagram 4: A rounded rectangle containing 2 rows of 10 blue cubes each, and 4 single blue cubes below. An arrow points to a rounded rectangle with a dotted line for an answer.

Recompose ces nombres :
Ex : $10 + 10 + 10 + 4 = 34$
$10 + 10 + 10 + 10 + 10 + 10 + 1 = \dots\dots\dots$
$10 + 10 + 10 + 10 = \dots\dots\dots$
$10 + 10 + 6 = \dots\dots\dots$
$10 + 10 + 10 + 9 = \dots\dots\dots$
$10 + 8 = \dots\dots\dots$
$10 + 10 + 10 + 10 + 10 + 8 = \dots\dots\dots$

Décompose ces nombres :
Ex : $48 = 10 + 10 + 10 + 10 + 8$
$54 = \dots\dots\dots$
$28 = \dots\dots\dots$
$67 = \dots\dots\dots$
$35 = \dots\dots\dots$
$27 = \dots\dots\dots$
$14 = \dots\dots\dots$
